

Household Bulk Waste Service – Items

The following list includes items that will be collected as part of the Association’s bulk waste service.

Items must be presented as per the requirements of this list; otherwise we reserve the right not to collect them.

Any textile items must be kept dry for collection. If the items become waterlogged we may not be able to uplift them.

All food waste from fridges and freezers must be removed prior to placing the equipment out for collection.
